### BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

Buy the Bisbee-Ajo stock at 25c. It's a winner.—Advertisement. 402

### EVERETT RAGSDALE DIES.

Very shortly afterwards and without warning the sick man passed away. The deceased had been a resident of the camp for a matter of about twelve years. He was carman at the Spray for several years and later served as an officer for Basset Watkins, then chief of police. The funeral arrangements have not been made as yet.

## Prof. Hertzog Praises This Perfect Laxative

DR. CALDWELL'S SYRUP PEPSIN AN IDEAL REMEDY FOR CONSTIPATION.

In every family there is more or less occasion for a laxative remedy. It is to meet this need that Dr. Caldwell's Syrup Pepsin is prepared, and that this combination of simple laxative herbs with pepsin fulfills its purpose is proven by its place in thousands of American homes.

Prof. F. J. C. Hertzog, the well known linguist, 2341 North Orianna St., Philadelphia, Pa., wrote to Dr. Caldwell that he has used Dr. Caldwell's Syrup Pepsin in his household with excellent results and that he and his family consider it indeed a friend in need, and always keep a bottle of it on hand.

Constipation is the direct cause of much serious illness and is a condition that should never be neglected. Harsh cathartics and violent purgatives should never be employed to relieve constipation, because the very violence of their action shocks the entire system. A mild laxative, such as Dr. Caldwell's Syrup Pepsin is far preferable, being mild and gentle in its action, without gripping or other pain or discomfort; its freedom from all opiate or narcotic drugs makes it an ideal remedy for children.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
